

## **Position Announcement: Bilingual Educator (Spanish)**

**Employment Type:** Full time, 30-40 hrs/week

**Compensation:** Starting at \$15-16/hour plus benefits including health insurance and holiday, vacation, and sick time

**Application deadline:** Open until filled; first review Thursday, January 28th.

### **About the Position**

The Bilingual Educator will work as an integral part of the Corvallis Environmental Center team and be responsible for daily implementation of Farm to School and Nature Education classes and activities. This includes Classroom Food Adventures, school garden education, field trips, day camps, summer camps, and preschool programs. This position will focus primarily on farm to school education in Spring and Fall and day camps in Summer, with the possibility of expanding into other areas depending on program needs. Work takes place in school classrooms and gardens, parks and natural areas, Avery House Nature Center, Starker Arts Garden for Education, and office settings.

### **About the Corvallis Environmental Center**

The Corvallis Environmental Center (CEC) envisions a community in which People Learn, People Care, People Act. In pursuit of this vision, our mission is to educate, engage, and inspire people to create a healthy, sustainable community. We do this through local & healthy food initiatives, nature-based education, and community events. The CEC was founded in 1994 as a grassroots effort to take action on environmental issues, and today reaches over 15,000 people in Benton County through its programs and services.

### **Job Responsibilities**

- Prepare and lead educational programs including day camps, school programs, field trips, family programming, and more, primarily for ages 3-14
- Collaborate with local schools and community partners to implement programming and events
- Work with other program staff to develop and implement new education programs
- Coordinate and oversee volunteers and interns
- Develop and administer program evaluations
- Participate in staff meetings and organization events
- Other duties as assigned

### **Qualifications**

- Fluency in Spanish (required)
- Bachelor's degree or equivalent work experience in youth education, community food systems, public health, environmental/food policy, nutrition, or related field
- Experience teaching food, nature, and/or garden education in both outdoor and classroom settings
- Self-motivated, hardworking, professional, and dependable
- Ability to work independently, in a team, and in a support role
- Well-organized and detail-oriented
- Excellent written and oral communication skills

### **Application Instructions**

- Please send a resume and cover letter to Emily Olivo, Program Director, at [emily@corvallisenvironmentalcenter.org](mailto:emily@corvallisenvironmentalcenter.org)
- In your cover letter, please include your experience teaching/leading groups in Spanish.
- This position is open until filled. The first review of applications will be January 28th.
- Applications must be emailed to the address above, not sent through Indeed, Facebook, or other sites.
